

Anti-Slavery & Human Trafficking policy

The Company

Pure Vista Ltd is a leading manufacturer and supplier of glass balustrading products. Established in 2007 we design and patent glazing systems and are a manufacturing and supply only business. We are based in the UK and supply globally.

What is Modern Slavery?

Modern slavery is a hidden crime which affects individuals and communities around the world and is a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal and/or commercial gain.

It is our intention to ensure slavery and human trafficking is not taking place in our business or supply chain.

Modern Slavery Statement

We are committed to ensuring there is transparency in our own business and in our approach to tackling modern slavery throughout our supply chains, consistent with our disclosure obligations under the Modern Slavery Act 2015. We expect the same high standards from all of our contractors, suppliers and other business partners. We include specific prohibitions against the use of forced, compulsory or trafficked labour, or anyone held in slavery or servitude, whether adults or children, and we expect that our suppliers will hold their own suppliers to the same high standards.

We expect all organisations with whom we conduct business to have their own policy or comply with ours. We expect our employees to report any concerns, and for our Senior Management Team to act upon them.

Breach of the Policy

The company will terminate any dealings with an individual or organisation found to be involved in any way with modern slavery.

Any employee who breaches this policy will face disciplinary action, which could result in dismissal for misconduct or gross misconduct.
